COFFEE

We only ever use freshly ground coffee beans, supplied by Bristol based importer and roaster, Wogan Coffee.

French Dark Roast is our classic espresso blend, roasted specifically to a secret recipe to hit all the right spots. Decaf lovers need not miss out - our lively and full flavoured single origin Brazilian Decaf beans also make a great cup of coffee.

We have semi-skimmed cow's milk, cream, soya milk and oat milk. We will make your coffee just how you like it. Please ask if you would like your milk on the side.
